

Chose a Medicare Drug Plan Using the Medicare's *Plan Finder*

1. Go to Medicare.gov click on "Find health & drug plans"
2. If you have a Medicare account or want to create one:
 - Press "Log in or Create Account". Either sign in or create a new account.
 - You will see your most recent drug list. Edit this list as needed and press "OK".
 - Edit your pharmacy choice, if necessary.
 - Press "Find Plans now".Go to step 4.
3. If you do not have or want a Medicare account:
 - Enter zip code and choose the type of plan you want. Press "Start."
 - Answer the question if you receive financial assistance for your Medicare costs. Click "Next".
 - Click Yes I want to see my drug costs & press "Next"
 - Add your drugs by typing name of drug, click on that drug name when it pops up and click "Add Drug".
 - Enter Dosage & Quantity-Press "add to my drug list"
 - Press "Done Adding Drugs" when complete.
 - Choose up to 5 pharmacies & press "Done"Go to step 4.
4. Drug plans are listed in order of estimated annual costs. You can switch between from Drug Plans and Medicare Advantage plans by changing the plan type -upper right of screen.
5. Click on "Plan Details" of a plan for further information:
 - a) Prescription Drug Plans show Premium, Deductible, Pharmacy cost comparison and Star Ratings
 - b) Medicare Advantage plans show the same drug information as well as health care co-pays and extra benefits available.
 - c) Be sure your pharmacy choice is considered a Preferred In-Network Pharmacy.
6. To enroll, click on the "Enroll" button or enroll by phone (phone numbers available in Plan Details).

WHEN SELECTING A **MEDICARE ADVANTAGE PLAN**:

- Look at annual costs for your drugs (see above).
- Look at the customer Service ratings – shown on "Plan Details"
- All plans have "In and Out of Network" maximums. These are your co-pay maximums. A smaller number is better.

9/13/2022

- What extra benefits are important to me? - dental, vision, hearing and others. Look for these in Plan Details on our website.
- Is my doctor or other health care provider in their network?
